Sir:

**SUBMISSION OF TERMINAL DISCLAIMERS**

Applicant was contacted by the Examiner on January 26, 2007, who indicated that Terminal Disclaimers were needed to obviate potential obviousness-type double patenting rejections over U.S. Patent No. 6,548,741; U.S. Application No. 09/650,194; U.S. Application No. 09/658,862; U.S. Application No. 10/190,617; and U.S. Application No. 10/914,161.

Solely to expedite allowance of the pending claims, and not in acquiescence to these rejections, Applicant submits herewith two Terminal Disclaimers in the above-referenced application, executed by an attorney of record.

Please associate these papers with the above-identified application. The requisite fee of \$260.00 is enclosed.

Applicant was further informed by the Examiner that copies of previously filed Terminal Disclaimers over U.S. Application No. 09/989,126 and U.S. Application No.

09/989,128 were missing from the file. Applicant encloses herewith copies of these two Terminal Disclaimers, previously filed on April 10, 2002. As the fees for filing these Terminal Disclaimers were previously submitted, no fee is currently due for the submission of copies of these two documents.

Please grant any extensions of time required to enter these papers and charge any additional required fees to our deposit account 06-0916.

Respectfully submitted,
